USER MANUAL

Build & run the program.

Admin Options:

First login as Administrator to create new users. To do so select option “2. Admin”.

```
*****Welcome to the Golf Club System*****
Do you want to:
>>>1.Login
>>>2.Admin
```

The password to the admin account is “Admin”.

```
*****Welcome Admin*****
Would you like to
1. Create a new user
*****REGISTRATION*****
Username: JohnDoe
Password: SecurePassword
Name: John
Surname: Doe
DOB, numbers only Day,Month,Year: 01011996
Handicap level: 0
```

To Create a new user with option 1 “1. Create a new user”

Input the Username, Password, Name, Surname DOB, Handicap Level

After entering details, it will return you to the admin option screen where you can create more users, view a user profile and scorecards, remove existing users, return to the main login screen, and exit the program.

To View a user, select option “2. View user details & scorecards.”

Then enter their username & the date of the game if the file or name doesn't exist type 0 to return to the admin screen.

To Remove a user, select option “3. Remove existing user.”

Then enter their username and the account will be deleted.

Once you're done in the administrative options you can “4. Logout and return to main menu” or “5. Exit.”

Once you return to the main menu you will have the choice of either logging in as an administrator or user.
